### Board of Visitors,

Appointed by the Executive of the Commonwealth. I T is the object of this new Organization for Literary and Scientific pursuits, to inculcate sentiments selected and practical; the formation of regular habits, and the diffusion of a knowledge of Military Science.

Military duties will not be permitted to interfere with the pupil's studies, but will rather take the place of his unprofitable idleness.

The course of study adopted, and which will be required in order to graduation, is that usually taught in the best Colleges, except that but one language is required, (Latin or French,) the time usually occupied by the second, being devoted to a more extended course in Mathematics, Natural Science and English Literature.

A Preparatory Department is organized in connection with the Institute, in which boys of any age are admitted, and are subjected to the same Military discipline as the Cadets.

The present building is situated on a hill, in the middle of the Springs, near Frankfort, Kentucky, recently occupied by the Franklin Institute, is admirably adapted in every respect to Academic purposes; the locality being airy and healthy, the mineral waters, salutary; the grounds extensive, commanding a fine view, and extending from the Institute, and multiplied inlets in fluences, which seem inseparable from a city or village residence.

The institution is placed under the charge of Col. R. T. P. ALLEN, as Superintendent, who has been brought prominently before the public, as a competent and successful teacher, and now occupies a prominent position at the United States Military Academy; his subsequent connection with the Engineering Service of the General Government, as Superintendent of public works; by his long experience as an Instructor, by his recent connection with the Transylvanian University.

The Academic Year will be divided into two Sessions of twenty one weeks each.

The first commencing on the 1st Monday in October, and the second on the 1st Monday in March. The only vacation occupying the months of August and September.

The month of July will be spent in an excursion through the State, for the better study of its Geology and of Natural Science.

Applicants for admission, on paying the charge of the institute, and presenting a certificate of good moral character, will be admitted into the classes as their advancement may justify, and upon payment of a fee, will be entitled to receive a certificate of graduation, and a diploma, and be entitled to a premium of appointment, as Cadet, from the Governor. The uniform of the Cadets is plain and neat, and being of Kentucky Jesus, will greatly reduce the expense of their clothing.

## KENTUCKY LEGISLATURE.

IN SENATE.

SATURDAY, Feb. 20.

The Senate was opened with prayer by Rev. Mr. WATERMAN.

Mr. DRAFFIN presented a petition from sundry citizens of Mercer, for a change of election precinct, and referred to select committee.

Mr. DRAFFIN, by consent, reported from select committee, a bill to change the place of voting in Simon's precinct to Cornishville, in Mercer county; passed.

Mr. HENDERSON asked and obtained leave to bring in a bill for the benefit of Isaac King, of Whitley; referred.

Mr. HAWKINS, by consent, reported from select committee, a bill to incorporate the Warsaw and Williamstown Turnpike Company; referred.

Mr. RICE, from select committee, reported a bill from H. R. to amend the road law in Greenup county.

Mr. RICE, in presenting this bill, remarked, that the committee had come to no conclusion upon the subject, and had left it in his charge, as chairman of the committee; that he felt it to be an unpleasant task for a Senator to oppose a bill, the passage of which had been urged and secured by the representative in the lower branch of the Legislature; but the subject of a change in the road law of Greenup, had excited a great deal of feeling in that country, and it became his duty, in obedience to what he believed to be the wishes of his constituents in that county, to oppose the passage of the bill in the Senate. The 3d section of the bill imposed a tax of 6 $\frac{1}{2}$  cents on each ton of iron manufactured in the county of Greenup. The people of Greenup were opposed to specific legislation of this kind, and particularly to the imposition of a specific tax upon the manufacturers of iron, who contributed so largely to the prosperity of that county. He hoped the bill would not pass.

The bill was rejected.

Mr. J. SPEED SMITH, from committee on Internal Improvement, reported a bill from H. R. to incorporate the Paris and Georgetown Turnpike Company; passed.

Mr. SWOPE, from same committee, reported a bill from H. R. to continue a turnpike road from Burlington to Florence in Boone county, with an amendment, amendment concurred in and bill passed.

Also—a bill from H. R. authorizing the county court of Nicholas to change or discontinue a State road; passed.

Also—a bill from H. R. for the benefit of the Lexington and Covington Turnpike Company; passed.

Also—a bill to incorporate the Covington and Dry Run Turnpike Company; passed.

Also—a bill to incorporate the Boone Turnpike road Company; passed.

Also—a bill to incorporate the Warsaw and Williamstown Turnpike Company; passed.

Mr. BRISTOW, from same committee, reported a bill from H. R. to settle and adjust the claim of John Bussing of Garrard county, authorizing him to file a bill against Board of Internal Improvement in the General Court, with amendments.

Mr. PEYTON opposed the bill, and moved to lay bill and amendments on the table, but withdrew the motion at the request of Mr. BRISTOW, who desired to explain the facts of the case and the provisions of the bill. The facts presented in the petition were, that the State had contracted with Mr. Bussing for the delivery of timber for the repair of the railroad, and had, through her agents, prevented him from passing with his raft, through one of the locks on the Kentucky river, whereby the raft was sunk, and resulted in a total loss to him. The bill provides that Mr. Bussing may, at his own cost, file his bill in the General Court, making the Board of Internal Improvement a party, and submit the question of the liability of the State to compensate him for the damages sustained, to the decision of the court.

The bill was advocated by Messrs. FOX and J. SPEED SMITH, and opposed by Messrs. PEYTON and PATTERSON.

Mr. PEYTON renewed his motion to lay the bill and amendments on the table.

The years and nays were as follows:

Yea—Messrs. Boyd, Bradley, Brummette, Brien, Crenshaw, Evans, Hardin, Heady, Henderson, Holloway, James, McNary, Patterson, Peyton, Russell, Swope, Thornton, Thurman, Todd, Wall and Williams—17.

Nays—Messrs. Bristow, Butler, Draffin, Fox, Harris, Hawkins, Helm, Key, Rice, Slaughter, J. Speed Smith, Swope, Thornton, Thurman, Todd, Wall and Williams—15.

So the Senate refused to lay the bill on the table.

The bill was further discussed by Messrs. BRISTOW and J. SPEED SMITH for, and Messrs. WALL, CRENSHAW, BRADLEY and BOYD against the bill.

Mr. BUTLER offered a resolution, re-committing the bill to committee, with instructions to investigate the facts of the case, and report a bill for the relief of the petitioner, if in their view his claim be a just one.

Mr. PATTERSON opposed the resolution.

*Joint Order of the Day—Election of Public Officers.*

A message was received from the H. R. through Mr. STEVENSON, that the H. R. was ready to proceed with the execution of the joint order of the day, having for its object the election of public officers.

Mr. PEYTON was directed to bear a similar message from the Senate to the H. R.

A message from H. R. through Mr. McHENRY, was received, announcing that James Davidson was in nomination for the office of Treasurer.

Mr. HELM nominated James Davidson for the office of Treasurer.

No other individual being in nomination, Mr. Davidson received the unanimous vote of the Senate.

Messrs. HELM and PATTERSON were appointed a committee to report the joint vote, and reported that JAMES DAVIDSON had received the unanimous vote of both houses; whereupon he was declared by the Speaker, duly elected to the office of Treasurer of the Commonwealth of Kentucky.

Whole vote 133—necessary to a choice 67—whereupon, the Speaker declared that A. G. Hodges having received a majority of all the votes cast, was duly elected Public Printer.

### Librarian.

Mr. HELM nominated G. A. Robertson.

Mr. BRAMLETTE nominated Richard Long.

Mr. HELM was appointed to inform the H. R. of said nominations, and a similar communication was received through Mr. McHENRY, from H. R.

The Senate then proceeded to ballot as follows:

Richard Long, - - - - - 39.

whole vote 134—necessary to a choice 68—whereupon, the Speaker declared that G. A. Robertson, having received a majority of all the votes cast, was duly elected Librarian.

### Commissioner of Lunatic Asylum.

Mr. TODD nominated G. B. Kinkead.

A message was received from H. R. that the same nomination, and that of Thomas Grant was before the H. R.

Mr. SWOPE nominated Thomas Grant.

The Senate proceeded to ballot as follows:

Those who voted for Mr. Kinkead were:

Messrs. Brien, Hardin and Swope—3.

The joint vote was as follows:

G. B. Kinkead, - - - - - 100  
Thomas Grant, - - - - - 16

whereupon G. B. Kinkead was declared duly elected.

The following message from the Governor was received through G. B. Kinkead, Esq.

### Gentlemen of the Senate:

Being of opinion that the office of Secretary was vacant, on the 1st of September last, I commissioned George B. Kinkead, Esq., to fill the vacancy until the end of the present session of the General Assembly.

Since the commencement of the session, I nominated for your advice and consent, Mr. Kinkead to be Secretary from and after the end of the present session.

The nomination was rejected, because as you say, there is no vacancy in the office of Secretary.

I am sure that in accepting the commission which I had at the time Mr. Kinkead was commissioned, and which I still entertain. I did not act hastily, and after the most mature reflection, I feel a thorough conviction that nothing has been done by me, in reference to the Secretary, which is not in perfect conformity to the constitution, and that as Governor, I could not upon any other construction of that instrument, have fulfilled the duties of my office.

But the conflict of opinion between the Senate and myself, has placed Mr. Kinkead in a delicate position. I am sure that in accepting the commission which was tendered to him, by me, without his solicitation, he was influenced only by patriotic motives; actuated by like exalted feelings, while he fully concurs with me in opinion, he has yet expressed an unwillingness to hold the office until the expiration of the commission, whilst the opinion of the Senate stands opposed to him. He has therefore resigned his commission, whencever.

I again nominate for the advice and consent of the Senate, Geo. B. Kinkead, to be Secretary.

W.M. OWSLEY.

The said nomination was unanimously advised and consented to by the Senate.

Mr. JAMES, from select committee, reported the following resolution, accompanied by a report:

*Resolved.* That it is expedient and proper, to provide for the erection of a suitable monument, in honor of the heroes of Kentucky, who have heretofore, and who may hereafter, fall in defense of our much beloved country, and of her illustrious citizens whose memory may be entitled to commemoration.

Also—a bill authorizing the Frankfort Cemetery.

Mr. HARRISON nominated A. G. Hodges for the office of Public Printer.

Mr. MAYHAL, nominated G. H. Monsarrat.

Mr. STEVENSON nominated John M. Helm.

The vote stood as follows:

Those who voted for Mr. Hodges, were:

Mr. Speaker, Messrs. Alexander, A. G. Bots, W. S. Botts, Bowman, Brown, Bush, Cobb, Covington, Devereux, Evans, Foley, Gilbert, Haggard, Hall, Hanson, Harrison, Hay, Hobbs, Hord, Hoy, D. Irene, W. L. Jones, McCallister, McHenry, Mitchell, Munford, Pearl, Phillips, Procter, Reed, Rhea, Salter, Smith, Spurr, Phillips, Stewart, Talbut, Tandy, Thomas, Thompson, Vertress, Waller, White, Worthington, and Young—45.

Those who voted for Mr. Monsarrat, were:

Messrs. Beeler, Bowmar, Bradford, Crawford, Durbin, Glenn, J. Irine, Jordan, Martin, Mayhall, Owens, Page, Poor, Soory and Williams—15.

Those who voted for Mr. Helm, were:

Messrs. Abell, Almit, Armstrong, Bell, Board, Clarke, Coleman, Desha, Dickerson, J. Elliott, M. Elliott, English, Fletcher, Graves, Hager, Ireland, Johnston, J. R. Jones, Mansfield, Marshall, Mays, McArthur, Meriwether, Moore, Morton, Oglesby, Riddle, Rouse, Spalding, Stevens, Stevenson, Towles, Wade, Walker, Wheeler and Wright—36.

On the joint vote Mr. Hodges received 72 votes.

Mr. Hodges having received a majority, was declared elected.

Mr. PROCTER nominated G. A. Robertson for the office of Librarian.

Mr. HAGGARD nominated Mr. Richard Long.

On the joint ballot, Mr. Robertson received 95 votes—Mr. Long received 39 votes. Whereupon, Mr. Robertson was declared duly elected.

Mr. MUNFORD, from the committee on Enrollments, reported sundry enrolled bills, which thereupon received the signature of the Speaker.

A message was received from the Senate, announcing the passage of sundry bills, &c.

Mr. GLENN nominated Mr. Geo. B. Kinkead, Commissioner of the Lunatic Asylum.

Mr. W. S. BOTTs nominated Mr. Thos. Grant.

After some discussion, touching the qualifications of the nominees, in which Messrs. Brown, Waller, W. S. Botts, McHenry, Reed, Rhea and Alexander participated, a ballot was taken.

Mr. Kinkead, on joint ballot, received 100 votes.

Mr. Grant received 16 votes. Whereupon, Mr. Kinkead was declared duly elected Commissioner of the Asylum.

The bill provides for the maintenance of an additional number of indigent pupils, and that the benefits of the institution shall be distributed equally among the counties of the State.

Mr. WALLER in a few remarks, advocated the bill as one of the noblest charities established by the State.

The bill then passed.

Also—a bill to incorporate the Germantown Circulating Library Company; passed.

Also—a bill to incorporate the Paintsville Library; passed.

Also—a bill to incorporate the Trustees of the Nelson county Library Company; passed.

**A GUIDE to Justices, Sheriffs, Clerks Constables, &c., revised and amended, by J. C. HERNDON, just published and for sale at the Commonwealth Office—price \$3 50.**

The Public Printer returns his grateful acknowledgment, for the renewed proof of confidence manifested towards him in his re-election. He will endeavor, by the most unremitting attention to business, and by a prompt and faithful discharge of his duties, to merit the confidence that has been reposed in him.

We are requested to state that an oration will be delivered by LEWIS HARVEY, Esq., at the Court House, this evening, at 7 o'clock. The public are invited to attend.

We are indebted to our fellow townsmen, J. W. WINN, merchant Tailor, for latest New Orleans papers. They bring us, however, no late news from the army.

HON. JAMES HARLAN,

**Dear Sir:** Having noticed your course in the Legislature, and having full confidence in you as a man, a patriot and representative, and believing that you will be acceptable to a large majority of the voters of the county of Franklin, we respectfully request that you will consent to permit your name to be used as a candidate for the Legislature at the next August election. An early response is requested by

MANY VOTERS.

**CORRECTION.**—Several errors were made in the publication of the Resolutions of Mr. J. SPEED SMITH, on Saturday last. We publish to-day, the resolutions as they were offered. The first three resolutions, it is proper to state, were presented by Mr. P. BUTLER, the Senator from Louisville, and were reported by the committee in the precise words in which they were originally presented by him.

Mr. J. SPEED SMITH, from select committee, reported a series of resolutions, as a substitute for the resolutions referred to them.

The substitute reads as follows:

*Resolved*, That the General Assembly of the Commonwealth of Kentucky, That the conduct of our officers and soldiers, at the battles of Palo Alto, Resaca de la Palma and Monterey, is worthy of the highest commendation, and will be borne in lasting remembrance by their grateful country. That the steadiness and gallantry of the volunteers who fought at Monterey, from the highest officer, to the humblest soldier, demonstrates the truth of the important principle, that a free government may safely dispense with large standing armies, and confidently rely on the courage and patriotism of its citizen soldiers, for defence.

*Resolved*, That the private soldier, who abandons the endearments of home, and voluntarily dedicates his health, his strength and his life, to the service of the republic, in a distant region and fatal climate, exhibits a chivalry and patriotism, which entitle him to the esteem of his fellow citizens, and the gratitude of his country.

*Resolved*, That the Louisville Legion, which, by order of the commanding General, was posted to guard a mortar battery at Monterey, and exposed to the enemy's cannon for about twenty four hours, without being able to return their fire, displayed obedience, patience, discipline and calm courage, and all the highest qualities which adorn the character of the soldier; thereby giving assurance, that they will gallantly sustain the fame of their State, whenever it becomes their duty to mingle in the strife of battle.

*Resolved*, That the Governor be, and he is hereby empowered and required to cause to be made, a sword with suitable devices, and presented in the name, and on behalf of the people of Kentucky, to Maj. Gen. Z. Taylor, as an evidence of their opinion of his generalship and firmness, in the battles of Palo Alto, Resaca de la Palma and Monterey.

*Resolved*, That the Governor be, and he is hereby empowered and required to cause to be made, a sword with suitable devices, and presented in the name, and on behalf of the people of Kentucky, to Major Gen. W. O. Butler, in testimony of his daring gallantry in heading his brave division in the desperate charge against a battery in the battle of Monterey.

*Resolved*, That the people of Kentucky look with high pride and just exultation, upon the patriotic ardor and steady valor of the volunteer troops of their sister States, whose good fortune it was to share in the battle of Monterey.

*Resolved*, That the admiration, gratitude and thanks of the people, are due, and are hereby tendered, to Maj. Gen. Taylor and to his officers and soldiers.

*Resolved*, That the Governor be, and he is hereby requested to transmit to Gen. Taylor, a copy of the foregoing resolutions.

The question being on the passage of the resolutions, they were unanimously adopted.

## THE IRISH FAMINE.

The Ladies of Frankfort will hold a meeting at the Presbyterian Church, on this afternoon at 3 o'clock, for the purpose of considering, and in some degree, relieving the sufferings of the starving poor in Ireland. All are invited to attend.

Monday, Feb. 22d, 1847.

The Hon. REVERLY JOHNSON, of Maryland, in his great speech on the three million bill, on the 7th inst., uttered the following language while declaiming against the unrighteousness of the Mexican war. It deserves, says the Boston Journal, to be written in letters of gold:

"Puritans give us great prosperity. Let that virtue fail us—weakens the moral sense of the nation—judge in unbridled lust of dominion—and as sure as there is a God who rewards virtue and punishes vice, the curse of his judgment will be upon us."

We are requested to state that an oration will be delivered by LEWIS HARVEY, Esq., at the Court House, this evening, at 7 o'clock. The public are invited to attend.

We are indebted to our fellow townsmen, J. W. WINN, merchant Tailor, for latest New Orleans papers. They bring us, however, no late news from the army.

HON. JAMES HARLAN,

**Dear Sir:** Having noticed your course in the Legislature, and having full confidence in you as a man, a patriot and representative, and believing that you will be acceptable to a large majority of the voters of the county of Franklin, we respectfully request that you will consent to permit your name to be used as a candidate for the Legislature at the next August election. An early response is requested by

MANY VOTERS.

**CORRECTION.**—Several errors were made in the publication of the Resolutions of Mr. J. SPEED SMITH, on Saturday last. We publish to-day, the resolutions as they were offered. The first three resolutions, it is proper to state, were presented by Mr. P. BUTLER, the Senator from Louisville, and were reported by the committee in the precise words in which they were originally presented by him.

Mr. J. SPEED SMITH, from select committee, reported a series of resolutions, as a substitute for the resolutions referred to them.

The substitute reads as follows:

*Resolved*, That the General Assembly of the Commonwealth of Kentucky, That the conduct of our officers and soldiers, at the battles of Palo Alto, Resaca de la Palma and Monterey, is worthy of the highest commendation, and will be borne in lasting remembrance by their grateful country. That the steadiness and gallantry of the volunteers who fought at Monterey, from the highest officer, to the humblest soldier, demonstrates the truth of the important principle, that a free government may safely dispense with large standing armies, and confidently rely on the courage and patriotism of its citizen soldiers, for defence.

*Resolved*, That the private soldier, who abandons the endearments of home, and voluntarily dedicates his health, his strength and his life, to the service of the republic, in a distant region and fatal climate, exhibits a chivalry and patriotism, which entitle him to the esteem of his fellow citizens, and the gratitude of his country.

*Resolved*, That the Louisville Legion, which, by order of the commanding General, was posted to guard a mortar battery at Monterey, and exposed to the enemy's cannon for about twenty four hours, without being able to return their fire, displayed obedience, patience, discipline and calm courage, and all the highest qualities which adorn the character of the soldier; thereby giving assurance, that they will gallantly sustain the fame of their State, whenever it becomes their duty to mingle in the strife of battle.

*Resolved*, That the Governor be, and he is hereby empowered and required to cause to be made, a sword with suitable devices, and presented in the name, and on behalf of the people of Kentucky, to Maj. Gen. Z. Taylor, as an evidence of their opinion of his generalship and firmness, in the battles of Palo Alto, Resaca de la Palma and Monterey.

*Resolved*, That the Governor be, and he is hereby empowered and required to cause to be made, a sword with suitable devices, and presented in the name, and on behalf of the people of Kentucky, to Major Gen. W. O. Butler, in testimony of his daring gallantry in heading his brave division in the desperate charge against a battery in the battle of Monterey.

*Resolved*, That the people of Kentucky look with high pride and just exultation, upon the patriotic ardor and steady valor of the volunteer troops of their sister States, whose good fortune it was to share in the battle of Monterey.

*Resolved*, That the admiration, gratitude and thanks of the people, are due, and are hereby tendered, to Maj. Gen. Taylor and to his officers and soldiers.

*Resolved*, That the Governor be, and he is hereby requested to transmit to Gen. Taylor, a copy of the foregoing resolutions.

The question being on the passage of the resolutions, they were unanimously adopted.

**IMPORTANT LEGAL DECISION.**—A curious case occupied the attention of the Superior Court in the city of New York, on Thursday, which may not be uninteresting in this city. An action was brought against W. C. BRYANT, Proprietor and Publisher of the New York Evening Post, by Wm. Argall, for neglect in the setting up of an advertisement of a Special Partnership in September, 1835, by which Mr. Argall was represented as having contributed \$5,000 instead of \$2,000, which he actually did pay in. The law causes an error in advertisement to vitiate the notice, and renders the special partner liable as a general one. In consequence of which judgment was had against Mr. A. for \$300, on a debt due to suitor of the firm. The defense was, that the figure incorrectly set, was as much like a 5 as a 3. The manuscript of the advertisement was given to the jury for scrutiny and examination. The Court instructed, that if it appeared that injury had resulted from culpable negligence of Mr. B., the jury should find a verdict for the plaintiff. This was done.—U. S. Gaz.

**PEACE WITH MEXICO.**—The N. O. Bulletin, (good authority) contains the following paragraph:

"We have seen letters of 7th January from the city of Mexico, and from parties having access to high sources of information, which express in decided terms, belief that the differences between the two nations will very speedily be amicably and honorably settled."
